Read our latest Constitution (Amended 26 October 2020) . To view this document you will need the latest version of Adobe Acrobat Reader. Annual Financial Report Read Epilepsy Action Australia's 2020/2021 Financial Report. To view this document you will need the latest version of Adobe Acrobat Reader. Annual reports from previous years can be viewed below: 2019/2020 2018/2019 2017/2018 2016/2017 2015/2016 2014/2015 The Epilepsy Foundation's mission is funded through the generous gifts of individual donors and many partner organizations, including corporations and corporate foundations, member organizations, and both state and federal government agencies, including the Centers for Disease Control and Prevention. Our generous donors have the right to know how their dollars are invested in the fight to overcome the challenges of living with epilepsy and to accelerate therapies to stop seizures, find cures, and save lives. The Better Business Bureau (BBB) Wise Giving Alliance dictates that nonprofit organizations should spend at least 65% of their total expenses on programs, research, and services, and no more than 35% on fundraising. As shown in the graph, we are proud to report that we are well within those limits. In fact, at 10%, we are well below the 35% fundraising limit, and \$.53 of every dollar is used to fund research into new therapies, public education and awareness, and advocacy efforts. 4 Star Rating Charity Navigator has awarded the Epilepsy Foundation four out of four stars. This top rating indicates the Epilepsy Foundation adheres to good governance and other best practices that minimize the chance of unethical activities and consistently executes its mission in a fiscally responsible way. 2015 Annual Report FY 2014FY 2013 Epilepsy Foundation 2013 Annual Report.pdf Epilepsy centers provide you with a team of specialists to help you diagnose your epilepsy and explore treatment options.
